- (3) involve the same patent or trademark or different patents or trademarks covering the same or substantially identical things; or
- (4) call for determination of the same or substantially identical questions of law; or
- (5) where a case is refiled within one year of having previously been terminated by the Court; or

New Case #: 08-CV-0996 H (JMA)

This case was transferred pursuant to the Low Number Rule. The related cases have been assigned to the same judge and magistrate judge but they are NOT CONSOLIDATED at this point; all pleadings must still be filed separately in each case.
